ARCHER NEWS.

Child Stricken With Paralysis—Business and Personal Items.

Archer, June 23.—Miss Leila Bauknight is visiting her sister, Miss Tucker, at Live Oak.

A fishing party composed of Dr. Waddell, Sam Fleming and John Chamblin, went to Levy Lake on Thursday and had a fine time and caught plenty of fish.

The seven-year-old child of Mr. and Mrs. J. E. Videon is suffering from a stroke of paralysis, but is reported somewhat improved at this writing.

Mrs. Marion Smith is back from Atlanta, where she has been visiting her daughter.

Mr. and Mrs. W. L. Jackson and Miss Ida Chamblin left on Monday for Atlanta. Mr. and Mrs. Jackson will have charge of the household of her son, Fleming Winecoff, who with his wife and children will go to Europe to spend several months. Miss Ida Chamblin will spend a while in Atlanta and then go to Woodruff, S. C., her old home, where she will spend the balance of the summer.

Dr. McMillan of Montbrook spent the Sabbath with his family here.

Dr. Andrus, the popular druggist, left on Tuesday for Newark, N. J., where he will spend the summer with relatives. Mr. A. S. Chamblin will have charge of the store during his absence.

Dying of Famine

Is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers of Cearfoss, Md., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevents pneumonia. Guaranteed at all drug stores. Price 50c and \$1 a bottle. Trial bottle free.

Is Now "Dry."

Marcus Endel, one of Gainesville's leading merchants, was a visitor to Starke Wednesday and was outspoken in commending the citizens of Bradford for having voted the county "dry." In the campaign in Alachua county two years ago, Mr. Endel was an uncompromising supporter of the "wet" side of the question, but says he would certainly be on the "dry" side were the question submitted again.—Bradford Telegraph.

Acute Rheumatism.

Deep tearing or wrenching pains, occasioned by getting wet through, worse when at rest, or on first moving the limbs, and in cold or damp weather, is cured quickly by Ballard's Snow Liniment. Oscar Oleson, Gibson City, Ill., writes, Feb. 18, 1902: "A year ago I was troubled with a pain in my back. It soon got so bad I could not bend over. One bottle of Ballard's Snow Liniment cured me." Sold by W. M. Johnson.

Hyde's Big Sale.

The big sale at G. W. Hyde's double store, under the management of B. M. Tench, is a great success. A large crowd was standing about the front of the store as early as 7:30 a. m., waiting the opening hour, and all day long a large force of clerks was unable to wait on the crowd, many being turned away.

A mistake in the prices in the advertisement caused quite a loss to Mr. Hyde. It should have read 25 dozen sheets at 41 cents each but was printed 21 cents, a difference of 20 cents each. But in order to sustain his reputation for doing exactly as he advertised, Mr. Tench was told by Mr. Hyde to let them go at 21 cents, and they went.

The sale lasts ten days, with special features from day to day.

Stimulation Without Irritation.

In case of stomach and liver trouble the proper treatment is to stimulate these organs without irritating them. Orino Laxative Fruit Syrup aids digestion and stimulates the liver and bowels without irritating these organs like pills or ordinary cathartics. It does not nauseate or gripe and is mild and pleasant to take. J. W. McCollum & Company.

Get Your Vote Ready Early.

All the merchants who have ballot boxes at their stores for the library contest will please get them to The Sun office as early as possible, so they can be arranged for the paper on Sunday morning. There are so many contestants that it will take some time to get them all tabulated, and we would like to have them as early as convenient.

If the Baby is Cutting Teeth

Be sure and use that old and well-tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty-five cents a bottle.

Low Rates to White Springs.

Spend a while at White Springs, the leading health resort of the State. On the far-famed Suwannee river. The Gainesville and Gulf offers the following low round-trip rates from Gainesville: Sunday only, \$1; ticket good going Saturday and returning Monday, \$2.50; ticket good for fifteen days, \$3. Double daily service. For further particulars inquire of ticket agent.

Life a Burden

There are times when life seems a burden—when you are tired, worn-out, have dull pains in the head and a continual feeling of uneasiness. You have no appetite, and your digestion is poor; your sleep broken, and you get no rest.

Little annoyances seem great mountains of trouble, and you are blue, melancholy and given over to gloomy forebodings.

This means low vitality—exhausted brain nerves.

For this condition Dr. Miles' Restorative Nervine is a specific; it is a food for the nerves. It builds up the nervous system, and restores lost energy.

Try it to-day and see if your sleep is not sound and refreshing, and the morrow brighter and more hopeful.

"I am glad to announce that I have recovered my health, as far as my advanced age will permit, as I am 63 years old. My case was very bad; my nerves were all shattered. I suffered much pain and coldness; was so weak and felt so sad and lonely and heart-broken. When I commenced taking Dr. Miles' Restorative Nervine I was completely prostrated. I have taken the Restorative Nervine, Heart Cure and Nerve and Liver Pills, and they cured me." MRS. E. C. HAWLEY, Waterloo, Ind.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money. MILES MEDICAL CO., ELKHART, IND.

**The Cause of Many
Sudden Deaths.**

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
